

Are you a buffoon?

28 de julio de 2021

I hope not. A buffoon (payaso/bufón) is a very stupid person. “Buffonery” (bufonería), the noun, refers to the activity of buffoons.

Examine these examples:

- Stop being a buffoon! ¡Deja de hacer el payaso!
- The buffoons that work for Mr. Sánchez, the Spanish Prime Minister, have destroyed the economy (...que trabajan ...han destruido...).
- Mr. Podemos was acting like a buffoon (...estaba actuando como...). That is called buffoonery (eso se llama bufonería).

So buffoons display buffoonery. So do you know a buffoon?
