

Are you a dresser?

6 de agosto de 2020

To dress (vestir) you will know. "Dresser" is a noun and has three uses. Contemplate the following.

It can be a piece of furniture that you have in the kitchen (aparador), and some mortals (females) have a dressing-table (tocador) in their bedrooms.

Do you work in world of theatre? If you do, you will work with a dresser (ayudante de camerino), a person who helps you get dressed for the role on the stage.

A mortal can also be an elegant or poor dresser, that is, someone who dresses elegantly (con elegancia/ elegantemente) or badly.

So are you an elegant dresser? Do you have a job as a dresser? Perhaps you have dressers in your house too.
