

# Are you debonair?

26 de enero de 2021

A debonair (persona gallarda, o alegre) person is usually elegant in the way he dresses.

This is usually combined with a cheerful (alegre) and courteous (cortés) manner.

Examine these examples:

\* Mrs. Thatcher, the British Prime Minister in the 1980s, was a debonair woman (...era una mujer cortés).

\* The girl fell in love with a debonair young man (...se enamoró del joven gallardo).

So, are you debonair?
