

Can things be unfunny?

9 de junio de 2021

Yes is the answer. Many mortals will say “not funny” and that is correct. “Unfunny” is simply another way to say “not funny”. Remember the “golden rule”: the fewer words the better. One word is better than two words.

Here are some examples using “unfunny”.

- * It is an unfunny political joke (... un broma política sin gracia).
- * Mr. Sánchez told an unfunny joke (...sin pizca de gracia).
- * Mr. Sanchez’s jokes are painfully unfunny.
- * The Spanish cabinet (cabinete) is full of unfunny clowns (...lleno de payasos sin gracia).

So, have you heard or told unfunny jokes?
