# Have you ever erred?

18 de diciembre de 2019

Perhaps! The writer of this article has erred many times: he is a mere mortal (mero mortal).

To "err" is to make a mistake, to sin (pecar), or to be mistaken (equivocarse). Let´s look at some examples:

- To err is human (errar es de humanos). This is a proverb.

- We must err on the side of caution when voting in the election (debemos pecar por exceso de precaución...debemos pecar de piadoso/cauteloso...).

- Mr. Corbyn erred when he said Mr. Johnson was not clever (...erró cuando dijo que...).

- Alejandro erred in his choice of a Ferarri (...erró en su elección de un Ferrari).
