

Hen's teeth

14 de abril de 2021

A hen (gallina, hembra) you may know.

Do hens have teeth? No – they have beaks (picos).

There is an expression or saying “as rare as hen’s teeth”. If something is rare (raro) or difficult to find, you can say “it is as rare as hen’s teeth”.

Some examples:

- Good politicians are as rare as hen’s teeth (...tan raros de encontrar).
- Bibles are as rare as hen’s teeth in North Korea.

What else is as rare as hen’s teeth?
