One sheep, two sheep...

Some words are the same whether singular or plural. Sheep (oveja) is one such word.

There are others. Here are 8 more:

- * Aircraft (but one plane, two planes).
- * Deer (ciervo).
- * Haddock (merluza).
- * Means (in the sense of how something is done or the equipment = manera, medio).
- * Trout.
- * Series (of a programme on the radio or televisión).
- * Shambles (desorden, confusión).
- * Offspring (descendencia).

There are others: for another day.
