

# What irks you?

28 de diciembre de 2022

To irk (molestar, fastidiar, irritar) a mortal is to anger, irritate or annoy the person.

Examine these examples.

- What irks you? ¿Qué es lo que te irrita? Similar phrases include “what annoys you”, and “what irritates you”.
- What is irking you?
- Mr. Sanchez’s lackadaisical (descuidada) attitude towards the Spanish economy irks many people.
- Do you know what irks me? ¿Sabes lo que me molesta?

In life there are mortals and actions that irk us. As a result we become “irked”.  
What particularly irks you?
