

What is your livelihood?

23 de septiembre de 2020

This question is similar to "what do you do for a living, or how do you earn your living"? In Spanish you might say: *¿cómo se gana la vida o el sustento?*

For Mr. Sanchez, the Spanish Prime Minister, politics is his livelihood (*el vive de la política*).

Yes, you can also ask, what is your job, or what do you do (*que haces*)? It is better to vary your vocabulary, so that your speaking or conversation is more interesting.
